THANK YOU FOR HELPING US TO HELP!

In the context of the program "Assistance to seriously ill children", we rendered assistance for the total amount of **2,912,903.33 UAH**.

11 children received **individual** assistance for the total amount of **273,849.46 UAH**. 9 children received donor bones, medicines, supplies for the total amount of **259,849.46 UAH**.

2 children who completed treatment underwent MIBG scan in Italy. We helped both families with logistics and for one of them we paid for the scan. The total cost is **14,000.00 UAH**.

Thanks to the cooperation with the Ukrainian Philanthropic Marketplace and its permanent partners, Monobank and Courage Bazaar, we purchased the automated microbiological analyzer Phoenix M50 with a printer and consumables for the Lviv Children's Hospital. In treating serious diseases, the analyzer allows detecting microorganisms twice as fast, which can cause pathologies and complications. The analyzer's cost with the accompanying materials is **1,760,353.70 UAH** (including the advance payment of 834,256.50 UAH in 2019).

For the Pediatric Department of the Cancer Institute's operating room, we purchased new electric instruments, instead of worn-out ones, as well as instruments for thoracoscopy – for examinations and interventions on the lungs. Total cost: **228,917.00 UAH**.

After the beginning of the Ukraine coronavirus

disinfectant dispensers for the total amount of **31,436.40 UAH**.

We also continuously provide the hospitals in which we work with the necessary personal protection equipment during the quarantine: masks, respirators, protective suits and goggles, disinfectants – total cost in the reporting period: **175,022.10 UAH**.

For the Pediatric Department of the Cancer Institute, we purchased chemotherapy drugs that did not come from public procurement due to logistical difficulties during the quarantine period. We bought sternal needles for the Lviv Hospital. The total costs amounted to **79,891.02 UAH**.

In February, we completed the renovation works in the last 4 patients' rooms, bathrooms and internal corridors of the Pediatric Department in the Lviv Hospital. During the period 2017-2020, we renovated 15 patients' rooms, 11 bathrooms and internal corridors in the block between the patients' rooms, a part of the corridor, the dining room, the doctor's office. Now the department has proper sanitary and hygienic conditions that help overcome the disease. The expenses in the reporting period amounted to **42,420.90 UAH**.

Our physiotherapists helped 18 children hospitalized at the Cancer Institute undergo physical rehabilitation after surgery providing them with 183 sessions. The compensation for the work of two physiotherapists amounted to **65,420.00 UAH**.

The team of our psychologists provided 86 children with 206 consultations and 101 parents with 215 consultations.

The consultations were both individual and group. The costs of this project amounted to **115,360.00 UAH**.

Before the quarantine, Zaporuka volunteers managed to organize 36 entertainment activities for children.

Three nurses of the Cancer Institute Pediatric Department lived in the apartment of the Foundation for free.

The Dacha Center became home for 27 children and 57 parents as well as other family members; most children lived with both parents. The cost of the project amounted to **309,562.53 UAH**.

The cost of the project New Center Dacha Construction was **459,020.18 UAH**. During this period, the installation of communications (water, drainage, heating) inside the house began; ventilation and air conditioning systems were installed; electrical installation works began.

The administrative expenses of the Foundation amounted to **697,883.83 UAH**.
